April 2014

Our spotlight employee of the quarter is **Matt Wanderscheid** who has been employed with Ka Lima O Maui since September 13, 2012. **Matt's** positive energy, his desire to do a great job and his ability to inspire others makes him an incredible asset to Ka Lima O Maui. **Matt** is currently working in **Roland Pacubas** and **Elden Mahelona's** crews and has recently started working in the weekend crew as well. He is a very hard worker and is extremely reliable. Recently, **Matt** provided testimony in support of an important bill affecting Ka Lima O Maui at the State of Hawaii Legislature. **Matt** spoke from the heart when addressing Legislators on the importance of his job and the pride he takes in his work. He then had the opportunity to personally meet several Legislators and shared his enthusiasm. Congratulations **Matt**, Ka Lima looks forward to more of your inspiration.

Fundraising

Mother Nature blessed us with lots of sunshine this year for the Hyundai Tournament of Champions held the first week of January in Kapalua. A sharp contrast to last year's high wind and rain. Ka Lima volunteers were kept busy in Parking Lot F trying to maximize the

number of cars in the lot and overseeing the lot in general. We are grateful to continue to be a beneficiary of this wonderful event and we applaud **Nancy Cross's** efforts in delivering a first class tournament. We look forward to 2015!

Ka Lima O Maui's 8th Annual Benefit Golf Tournament was held on Saturday February 22nd at the Dunes at Maui Lani where 100 golfers teed off on a gorgeous day. The tournament was a big success and raised the most funds it has

in recent years for our vocational programs. Many participants went home with fabulous prizes after being treated to a great luncheon at our award ceremony. Please refer to our thank you ad in this newsletter for a list of all our sponsors and donors that made this tournament possible. Featured in the photo are board member **Jimmy Jones**, **Armon Tavares**, board members **Cindi Pojas Smith** and **Tracy Dorheim**.

Look Who's Working

By Pam Kahae

Ezra was referred to Ka Lima O Maui in January of 2014 and was offered employment this month. His first day of work was February 20, 2014, in **Roland Pacubas'** crew maintaining the grounds at the Kihei Roundabout. I hear he is doing a great job and is very reliable. Welcome to the Ka Lima O Maui Ohana **Ezra Kanaha**.

Remember that saying? “You’ve Come Along Way Baby”, that saying is for **David Lynch**. **David** was referred to Ka Lima O Maui in 2009, when he lived in Lahaina. I drove out on several occasions to meet with **David** and carry out our job search. We were having fun and getting to know each other when Mom advised that **David** would be moving to Kahului. **David** was excited about the move and so was I because this meant

an opportunity for **David** to possibly become a Ka Lima O Maui employee. **David** was hired at Ka Lima O Maui on March 5, 2014 and he definitely loves it. Its great having you on our Ka Lima O Maui team.

Our **Marsha Rocha** was referred to Ka Lima in 2013. She was interviewed and was offered a position in March. Her first day of work was on March 11, 2014. She works in **Lucy Golis** janitorial crew. **Marsha** is still new but we look forward to her maximizing her potential. Welcome aboard **Marsha!**

We started the new year with a China talk story and activities that surrounded China and the Chinese new year. Direct Support Worker, **Sarah Garbutt** spent many years living in China and shared her knowledge of

Chinese traditions and language with us. **Sarah** brought in her personal pictures, books, and did a coloring activity with the group. The group colored lucky pictures that they hung around program. Thank you **Sarah** for sharing your experiences and knowledge with us. Xinnian hao! (have a good New Year!)

In March participant **Ryan Behn** and staff member **Claudia Rosenbaum** participated in the Day at the Capitol in Honolulu. This activity was sponsored by the Hawaii State Council on Developmental Disabilities. The event was an opportunity for individuals with developmental disabilities to discuss disability-related issues and concerns with legislators and network with other concerned citizens. **Ryan** and **Claudia** both enjoyed this very informative event. **Ryan** stated that his favorite part of the event was meeting **Governor Neil Abercrombie**.

Last but not least we welcomed **Matt Wanderscheid** to our program. **Matt** started Waiver services in January. **Matt** has been a joy on Wednesdays and brings his sense of humor and good personality to our group, welcome **Matt**.

Happenings Around Ka Lima

Come join us for our afternoon walk around the Cameron Center and nearby properties. You can walk as little or as much as you want, but we guarantee it will be fun. The group is led by our Controller, **Sharon Ferrell**. At the end of the walk there is a “high five” from everyone and a cold

cup of lemonade. Come for the fun and the exercise.

This is a shout out to **Zion Waikiki** who is coming back to work for Ka Lima O Maui. **Zion** met with management to discuss his chances of getting his job back. He was welcomed back and is now working in **Roland Pacubas**' grounds crew. It's great to have you back **Zion**, keep up the good work.

Fae Torres has been selected as an honorary chairperson for Swim & Fin 2014. This is the first Swim & Fin and will be benefitting Special Olympics Maui Swim Team. She will be representing Hawaii in the Special Olympics National Games in New Jersey from June 14 - 21, 2014.

Vocational & Work Adjustment Training Program

By John DeBlasio

During 2013 and 2014 ten individuals participated in work readiness courses provided under the Vocational and Work Adjustment Training Services (VWATS) program. Course completers are now doing on the job training at various Maui businesses. We would like to thank the businesses involved for giving our participants valuable work experience.
